ABOUT ME

Passionate Front-End Developer specializing in React.js with strong expertise in HTML, CSS, JavaScript, and Tailwind CSS. Experienced in building responsive, modern, and user-friendly web applications with a focus on clean code, performance, and intuitive user experiences. Familiar with React Router, Vite, Git, GitHub, and basic backend technologies including Node.js, Express.js, and MongoDB. Continuously learning new frontend technologies and best practices to create scalable, high-quality web applications.

EDUCATION

2025 - 2029

Comsats University
Islamabad, Wah
Campus

Bachelors of Computer Science

Currently pursuing a Bachelor of Computer Science with a strong focus on software development, web technologies, and problem-solving. Gaining hands-on experience through academic coursework and personal projects, with a solid foundation in programming, data structures, and object-oriented concepts.

EXPERIENCE

april 2025 - May 2025

Code Alpha

Front-End Developer Intern (Remote)

Worked on building responsive user interfaces using HTML, CSS, JavaScript and React, collaborated with team members via GitHub, and improved UI/UX based on feedback while following modern front-end development practices.
